PLAYING BAHAMA BONUS BLACKJACK

BAHAMA BONUS BLACKJACK

Minimums and maximums, and maximum payouts are posted at the table.

Bahama Bonus is an exciting, fast-paced version of regular Blackjack (21). Bahama Bonus is played with a deck consisting of 2, 3, 4, 5, 6, 7, 8, 9, Jack, Queen, King, & Ace...no 10's! While basic Blackjack rules apply, it is the **Match Up, Bonuses, Super Bonus** and **Late Surrender** rules that make this game a Casino favourite.

Blackjack

Player Blackjack always beats Dealer Blackjack and pays odds of 3 to 2.

Late Surrender

If a Player is dissatisfied with their first two cards, they may surrender instead of 'taking a hit' or 'standing', thereby forfeiting half (½) of the original bet and removing themselves from the current round of play. The Player must indicate to the Dealer, their intent to surrender. Surrendering is not allowed on a Dealer Blackjack.

The hand signal to surrender: place your hand palm up and move your fingers backward and forward a few times.

Pair Splitting

A Player may split cards of equal value including Aces creating up to four hands – hitting and doubling of split hands, including Aces is allowed. Bonus 21 payouts are paid on split hands. Splitting or doubling voids the Super Bonus.

Double Down

A Player may Double Down once with two or more cards, on any total, even after splitting. When doubling, a Player **must equal** their original wager. Bonus 21 payouts are not paid on doubled hands (see Bonus 21 Payouts).

Double Down Rescue

If after doubling, a Player is dissatisfied with their non-busted hand, they may rescue or take back their original wager and forfeit doubled portion of their bet. A double down rescue removes the Player from the current round of play.

Bonus 21 Payouts

Bahama Bonus features nine different Bonus 21 Payouts. Remember, doubling down voids all Bonus 21 Payouts.

5 Card 21	Pays 3 to 2
6 Card 21	Pays 2 to 1
7+ Card 21	Pays 3 to 1
6 - 7 - 8 Mixed Suit	Pays 3 to 2
6 - 7 - 8 Same Suit	Pays 2 to 1
6 - 7 - 8 Spades Only	Pays 3 to 1
7 - 7 - 7 Mixed Suit	Pays 3 to 2
7 - 7 - 7 Same Suit	Pays 2 to 1
7 - 7 - 7 Spades Only	Pays 3 to 1

Super Bonus

Bahama Bonus also pays a Super Bonus of \$1000 to the winner and \$50 to every other betting Player!

A Super Bonus occurs when the Player holds suited 7-7-7 and the Dealer's up card is a 7 (any Suit). When a Super Bonus occurs, the Envy Bonus of \$50 is paid to all other betting Players at the table, no side bet required. Splitting and doubling voids the Super Bonus.

Match Up

In addition to their regular bet, a Player can bet on the possibility that either of their first two cards will exactly match the Dealer's up card in rank. Matches can be Suited or Non-Suited with five possible payouts.

A player makes a Bahama Bonus wager, and then places an optional second wager in the Match Up betting area.

Once all bets and Match bets are made, regular play begins. The Player will receive two cards face up and the Dealer receives two cards, one face up. If either of the Player's two cards match the Dealer's up card, they win! All Match Up bets are settled before the start of the Bahama Bonus round.

The payouts are as follows;

Match Up	Payouts
2 Suited Matches	24 to 1
1 Non-Suited & 1 Suited Match	15 to 1
1 Suited Match	12 to 1
2 Non-Suited Matches	6 to 1
1 Non-Suited Match	3 to 1
