

# PLAYING POKER

## BAD BEAT JACKPOT

Casino Niagara will accumulate a Bad Beat Jackpot. The object of this game is to be beat when holding a minimum of Four of a Kind (Quads) by a higher Four of a Kind, Straight Flush or Royal Flush. A "pocket pair" must be used.

The Bad Beat Jackpot is paid out as follows: 50% will be awarded to the losing hand, 25% to the winning hand and 25% divided equally among the remaining Players who began the hand with cards.

The Jackpot is built by collecting \$1 from all pots that reach \$20. There must be a flop for the \$1 to be removed and a minimum of four Players dealt into the hand. For the Jackpot to be awarded, the hand must go to showdown: all cards are dealt, all betting complete and all hands are shown. The highest possible hand must be created using both hole cards.
